

Davis Elementary Parent Involvement Policy and Procedures

2007/2008

Davis Elementary School is committed to the goal of providing quality education for every child in this district. To this end, we want to establish partnerships with parents and with the community. Everyone gains if Davis Elementary and home work together to promote high achievement by our children. Neither home nor Davis Elementary can do the job alone. Parents play an extremely important role as children's first teachers. Support for their children and for the school is critical to children's success at every step along the way.
